### Technical Information

|                             |                 |
|-----------------------------|-----------------|
| Technology                  | LED             |
| Replaces (Watt)             | 58              |
| Wattage                     | 23W             |
| Dimmable                    | Not Dimmable    |
| Cap / Base                  | G13             |
| Rotatable                   | No              |
| Colour Code                 | 840 Cool White  |
| Colour temperature (Kelvin) | 4000 Cool White |

|                       |              |
|-----------------------|--------------|
| Colour Rendering (Ra) | 80-89        |
| Colour of Light       | White        |
| Light Colour Options  | Single Color |
| Luminous Flux (Lumen) | 3750lm       |
| Lumen per watt        | 163          |
| Power factor          | >0.90        |
| Product Type Category | LED Tube T8  |
| Type of sensor        | No Sensor    |

## Lamp Information

|                       |                                                                       |
|-----------------------|-----------------------------------------------------------------------|
| LED Starter included  | Yes                                                                   |
| Ballast               | Conventional – there is a starter, Mains – Directly connected to 230V |
| LED Tube Output       | Ultra Output                                                          |
| Bulb finish           | Frosted                                                               |
| Operating Temperature | -20 to +45                                                            |
| Housing               | Plastic                                                               |
| Series                | LED TUBE T8                                                           |

## Dimensions

|               |       |
|---------------|-------|
| Length        | 150cm |
| Length (mm)   | 1514  |
| Diameter (mm) | 28    |
| Exact shape   | T8    |

Order from the **largest lighting specialist** in Europe
